Message from Deluxe Corp

Welcome! You've made a smart decision to try our Deluxe Payment Exchange. You'll find it's a better, more flexible, way to send payments and manage cash flow.

When sending your own eChecks or Print+Mail checks, you can use this Personalized Message space to provide information regarding the payment you're sending. You can also include detailed remittance data and/or attachments to be delivered simultaneously with the check. These conveniences are just some of the many reasons people prefer getting paid by eChecks 3:1 over paper checks.

How to retrieve this check

1. Retrieve the check from our secure online system
 2. Use a Deposit Service to send funds directly into your account for eligible payments
- OR
- Print a check on white paper, color ink recommended, and deposit
