Installing Zoom on iOS Devices

1. Tap on the Apple App Store icon on your iOS device to open it.

2. Tap on Search at the bottom right of your screen.

3. Enter Zoom in the search text box.

4. Select ZOOM Cloud Meetings from the available app choices and then tap on the GET button.
5. The install process will start.

6. When the installation is complete, tap the Open button.
7. In the Zoom app, tap **Sign In**.

8. In the Sign In window, tap **SSO**.
9. Enter **lakeforest** in the text box to complete the domain name, then tap the **Go** button.

10. In the Lake Forest College sign in page below, enter your College **Username** (not your full email address) and your email **Password**. Click on the **Login** button.
11. If you see the following pop-up, tap Open.

12. In the next window, tap Allow.
13. In the next window, tap OK.

14. The Zoom main window will be displayed, and you can now launch it from the Zoom icon on your home screen.
