

Rename a video in Panopto

Sunday, March 15, 2020 7:17 PM

How to Change the Title of a Video in Panopto

1. Move the mouse over the video, and buttons will appear, as below. Choose Settings (gear icon).

2. Under Session Information, choose Edit next to the name.
Session Information

Name	Workflow 2 Edit
Folder	Organismal Biology_(BIOL 120L 01, 2018-2019 Fall) Edit

3. Type in a new name, press Save, and X out of the Settings window.

Workflow 2

Session Information

Name	<input type="text" value="Lecture 10"/> Save Cancel
Folder	Organismal Biology (BIOL 120L 01, 2018-2019 Fall) Edit

In your Moodle course, the new name will appear in the Panopto block. If you have added the video URL as a resource in the course outline, you will have to change the name within the resource.
